# Welcome to Wethersfield

## *Mayor Amy Morrin Bello's Message*

I have enjoyed my first year serving as your Mayor. Being part of the Town Council, a team of dedicated volunteers, has been such a wonderful experience. The Town Council was able to accomplish many things this year, including progress on economic development, environmentally impactful initiatives, and policies and programs that positively affect residents.

The Town Council has seen economic growth in the form of 20 new businesses in 2018. A redevelopment highlight was the demolition of the FunZone on the Silas Deane Highway. I look forward to watching the building of The Borden; a multi-use development including apartments, office space, and retail go into that space.

The Council, in its role as an environmental steward, implemented four environmental initiatives:

1. Streetlights in Town have been purchased by the Town and the fixtures are being switched out with LED ones.
2. A household textile recycling program, Simple Recycling, started this summer at no cost to the Town or taxpayers. It allows textiles to be removed from our trash stream and recycled.
3. An ordinance prohibiting fracking waste was passed. It is an effort to keep hazardous fracking waste from ending up in Town or in the products we use in Town.
4. The referendum for the purchase of the Kycia Farm passed in November. This will allow the Town to decide the future use of the property and preserve open space.

A priority of the Town Council was to streamline government functions and look for outside funding sources. By merging the Town and Board of Education's custodial and maintenance services, and by restructuring the meeting schedule of our boards and commissions, we were able to see success on this front. The Town was the proud recipient of many grants and a \$100,000 community fund from the Hartford Foundation for

Public Giving. These outside revenue sources allow additional programs and projects to occur and are an incredible help to providing services to residents.

The Board of Education continues to provide a solid education to students in Town, including one-to-one technology for 7-12th graders, small class sizes, and increased opportunity for community engagement. The Board, looking towards the future, has completed an enrollment study and a facilities assessment to determine a 10-year plan for schools. Also, the Wethersfield Education Foundation, a non-profit organization, was formed "to support and enrich the goals, mission, vision and strategic plan of the Wethersfield Public Schools".

Some fun facts for 2018: Wethersfield was the location of a Hallmark Channel Christmas movie, "*Christmas on Honeysuckle Lane*"; was featured on WFSB's *20 Towns in 20 Days*; and an archeological dig took place at a local museum.

Wethersfield is the proud home to hundreds of volunteers who give their time and talents to the betterment of the community. Volunteers created and implemented the Great Elm website, a wonderful online tool that serves as a go-to for all things Wethersfield. The Chamber of Commerce started the Best of Wethersfield Awards dinner, a way to pay tribute to our amazing business community. The Bicycle and Pedestrian Stakeholders Advisory Committee is working to create a Bicycle and Pedestrian Master Plan and Complete Streets Policy.

I look forward to 2019 when a new Town Manager will begin, planning can start for the usage of the Kycia Farm, and economic development will continue. I hope residents and businesses will remain engaged and will join Town staff and elected officials in working to keep Wethersfield a great place to live, work and play.

*Amy Morrin Bello*

# Message from the EDIC Chairman

Welcome to 2019 from the Economic Development and Improvement Commission! The EDIC Commissioners are:

Mirella D'Antonio	Judy Keane	John Adamian	Peter O'Keefe	Dan Silver	David Paul
Marco Pace	Leslie Civitello	Tom Carson	Melissa Muszynski	Luke Galvin	

The EDIC exists to serve the business community which in turn serves you the residents of Wethersfield. The commission members are volunteers and Town residents appointed by the Town Manager. The EDIC works along with the staff of the Town's Planning and Economic Development Department made up of Peter Gillespie our Town Planner and Denise Bradley our Assistant Town Planner.

For 2019 we are launching, through social media, "The Great Elm" website: [www.thegreatelm.com](http://www.thegreatelm.com). The Great Elm is an all new website that acts as a hub to all facets of economic and social promotion of the Town of Wethersfield. Anything you would want to know about the Town like sports leagues, education information, tourism, Town charities, medical facilities, PTO's, etc. All in one spot!

The Great Elm also features an up to the minute Calendar section that helps inform you of things going on in Town. If you have something you'd like to promote, please visit!

We have also been working hard on some new initiatives, on improving the visibility of the Town's businesses to residents. Here are some of the things that we did this past year:

1. We signed an agreement for an additional \$450,000 STEAP GRANT to further fund the Façade Improvement program. To date we have funded 36 projects and set aside over one million dollars for the program.
2. The Borden Mixed-Use Project at the former Fun Zone Property - 1178 Silas Deane Highway is well underway. As of this writing the demolition of the existing building is completed, making way for the construction of a five story building with 111 residential apartment units and 10,500 square feet of retail/restaurant space on the first level.
3. Hosted the 29th Annual Holiday Social & Salute to Business Awards recognizing the accomplishments of our local business community.

We are also developing ideas about how to continue to redevelop and improve vacant and existing properties to bring more vibrant and needed offerings to the Town of Wethersfield.

The economic future for Wethersfield is very bright, and we have great things in store to make 2019 even brighter.

On behalf of the EDIC, have a Healthy and Prosperous New Year!

**Mark Trahan**  
**EDIC Chairman**

# NEW STORMWATER PERMITTING REQUIREMENTS

Residents should be aware the Connecticut Department of Energy and Environmental Protection (DEEP) has issued new stormwater permitting requirements for municipal separate storm sewer systems (MS4s) that were effective July 1, 2017. New requirements require the Town to sample and test more stormwater outfalls than we have in the past, and based on results, implement measures to improve the quality of the water discharging to local brooks and streams that flow into the Connecticut River and ultimately into Long Island Sound.

Residents can review the MS4 Annual Reports at the Engineering Division Office located on the second floor of Town Hall or on the Engineering Division page of the Town website after February 15th of each year. Residents can and are encouraged to provide comments on the report prior to its April 1st filing date.

These are 11 things that **YOU** can do to prevent stormwater runoff pollution:

1. Never dump anything down storm drains
2. Direct downspouts (roof leaders) away from driveways and sidewalks and into surrounding pervious surfaces such as grass, mulch and landscaped areas
3. Pick up pet waste
4. Use fertilizers sparingly and remove it from driveways, sidewalk and roads after application
5. Avoid using pesticides
6. Vegetate bare spots in your yard to promote infiltration, uptake of rainfall and to minimize stormwater runoff
7. Inspect and pump your septic tank regularly
8. Compost your yard waste
9. Wash your car in grass or gravel areas to promote infiltration, or better yet, take it to a commercial car wash where water is treated and recycled
10. Regularly check your car for oil leaks and address problems as they arise
11. Report Illicit Discharges that you witness immediately to the Engineering Division at 860- 721-2850 or [derrick.gregor@wethersfieldct.gov](mailto:derrick.gregor@wethersfieldct.gov).

Additional information regarding stormwater management and the Town's Stormwater Management Plan can be found at [www.wethersfieldct.gov](http://www.wethersfieldct.gov) under the Engineering Division webpage.

Dear Wethersfield Residents and Business Owners,

The Wethersfield Chamber of Commerce is a member driven, volunteer organization that works in partnership with the Town to help connect the community members with the Businesses. Our mission is to represent our members through active involvement in issues, projects and services that will improve the economic environment and provide greater business opportunities.

Chamber memberships include monthly networking events such as "Business After Hours" which are hosted by our business members and are a great way to network and connect with your peers in business. Members are listed on our website and have the opportunity to promote their business and special events on our weekly Eblast Newsletter. We welcome business members to get involved by volunteering and/or sponsoring at our fundraising events throughout the year and we encourage members to attend our monthly Chamber board meetings, get involved and join our team.

The Wethersfield Chamber of Commerce hosts many events in partnership with the Town of Wethersfield such as the State of the Town Breakfast, the Wethersfield Fireworks, Holidays on Main and the Wethersfield Cornfest. In addition, we host the BBQ & Beer to raise money for the Fireworks and in 2018 we launched the "Best of Wethersfield" contest for our businesses which are awarded at our Annual Meeting & Awards Dinner. We give back funds raised at these events with the Wethersfield Chamber of Commerce Scholarships that are awarded to outstanding students in our community.

## VISION STATEMENT

### WETHERSFIELD BOARD OF EDUCATION

The Wethersfield Board of Education has created and adopted a vision for the Wethersfield Public Schools that focuses on three areas of central importance to us:

1. **HOW do we educate?** Wethersfield is inspiring our students to become innovative, contributing members of society after they graduate.
2. **WHAT kind of learners do we create?** Our learners are curious, creative, and confident. They know that their learning doesn't end within the walls of the school.
3. **WHY do we approach education the way we do?** The world and our place in it is changing at an unprecedented rate. We face new challenges that require new solutions and need new skills by which to approach these challenges.

# REFUSE AND RECYCLING

## AUTOMATED RUBBISH COLLECTION

The Town provides each residence with a heavy duty barrel on wheels that is easily rolled to the street. Only refuse contained in the barrel will be collected. Residents have the option of leasing a second barrel for \$200 per fiscal year by contacting Paines, our refuse and recycling contractor, at 860-844-3003.

## AUTOMATED RECYCLING COLLECTION

Single-stream recycling is here. All recycling items are to be placed in your recycling container provided by the Town. Only recyclables contained in the barrel will be collected. Recycled items include: glass jars, metal cans and aluminum foil products, milk and juice cartons, drink boxes, newspapers, magazines, junk mail, office paper, chipboard, corrugated cardboard, catalogs, magazines, shredded and office paper, newspapers and plastics (#1-#7). As of February 2013 additional recyclable items can be put in your 95 gallon barrel or brought to the Transfer Station. These items include some of the following: large toys, beverage carts, laundry baskets and telephone directories. The complete list is available on the Town's website. Residents may request a second recycling barrel, free of charge, if residents fill more than one recycling barrel every two weeks. Recyclable items may also be brought to the Transfer Station. Recycling is picked up every other week. The schedule is located on the Town's website, Paine's website [www.painesinc.com](http://www.painesinc.com) or by calling Paines 860-844-3003. Routes start early, barrels should be out by 7:00 am.

## FURNITURE & BULK ITEM FEES

Residents should call Paines (860-844-3003) to schedule a bulk item collection at their home. Paines charges a fee. Some examples of bulk items include: furniture and rugs. Also mattresses can be picked up by Paines for an additional fee.

## APPLIANCES

For curbside pick-up of appliances (e.g. stove, refrigerator, freezer, air conditioner, hot water heater, dishwasher, washer, dryer) residents may purchase a White Goods Sticker at the Transfer Station. The pick-up of appliances are scheduled for Monday mornings at 7:00 a.m. State law requires that doors be removed from refrigerators and freezers before they are placed curbside. Residents may bring stoves, dishwashers, hot water heaters, washers and dryers to the Transfer Station at no charge. Appliances that contain Freon are charged \$10.

## TRANSFER STATION

**The Transfer Station is located at 100 Marsh Street and is open Monday & Friday from 9 AM to 2:45 PM and Saturday from 8 AM to 3:45 PM.** With a permit residents may bring the following items free of charge to the Transfer Station: metal items; auto, marine & lawn batteries; brass, copper, aluminum, cast iron sinks & bathtubs; radiators, large pieces of corrugated cardboard, hydraulic fluids, kerosene, motor oil, CFLs and electronics. All items that are recycled at the curb can be brought down to the Transfer Station. Residents are not required to have a permit in order to drop off leaves.

## STREET LIGHT OUTAGE

Residents may report a street light outage by going to <http://www.higginselec.com/report-a-streetlight/> or calling 860-267-7644.

## HOLIDAY DELAYS

If a holiday falls during the week there will be a day delay in pick-up. Delays in curbside refuse collection typically include: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. The refuse/recycling company, Paines, has a motto of "when in doubt, put it out."

## CHRISTMAS TREE DROP OFF

The Town does not pick up Christmas trees curbside. Residents can drop off their Christmas trees at collection points around Town, including the Transfer Station.

## CURBSIDE LEAF COLLECTION SCHEDULE

In the fall, during a published period of time, Town Employees will be collecting leaves. Residents should have their leaves raked to curb by the first day of collection in their area. Leaves should be raked in a long row about three feet high and placed on the snow shelf behind the curb, not in the street. Piles must be free of any foreign matter, such as large tree branches and stones. The Town will not make individual spot pickups of leaves. Residents who do not have their leaves raked to curbside by the time of collection in their area must compost them or take them to the Transfer Station at 100 Marsh Street.

***The Town reserves the right to refuse loads which are not suited for disposal in the Transfer Station. Examples of refused loads include: large tree stumps, fill, stones and cement. The Transfer Station does not accept any hazardous materials.*** Additional information is found at [www.wethersfieldct.gov](http://www.wethersfieldct.gov).

# SNOW REMOVAL

## STREETS

It is the Town's responsibility (or the State's if a state highway i.e. Route 3 Maple Street) to clear snow from streets and make them passable for public use. First the Town opens the road, making one swipe down the middle from each side of the road. Once they've done this throughout the whole Town they then go back and widen the road. Residents shouldn't clear their driveway aprons until the roads have been widened or the aprons will fill in with heavy wet snow from the streets.

## SIDEWALKS

It is the owners responsibility to clear the snow from the sidewalks within 24 hours after the snow or ice storm ends.

## FIRE HYDRANTS

It is the owners responsibility to clear around the fire hydrant within 24 hours after the snow storm ends. The accumulation must be a minimum of four inches below the bottom of the lowest outlet on any fire hydrant. Snow must be cleared within a radius of three feet from the center of the hydrant, and a path three feet wide made to the street.

## DRIVEWAYS

When you or your landscaper clears your driveway they cannot push the snow across the street and deposit it in front of your neighbors house. The Town must push back snow as far as it can. This practice can occasionally deposit large quantities of snow on the driveway apron. This can't be avoided. One thing residents can do to minimize the snow on their driveway apron is to pile shoveled snow to the right as you face the street. That way the shoveled snow will be carried down the street and not pushed back into the driveway.

## MAILBOXES

In order to provide a fair and uniform resolution to disputes involving mailboxes damaged by Town snowplows and snowplows contracted by the Town to plow Town roads, the Wethersfield Town Council established the following policy concerning repair/replacement of damaged mailboxes:

- All mailboxes should be securely fastened to a sturdy post which is sufficiently anchored in the ground to resist the impact of plowed snow.
- In accordance with current postal guidelines, the mailbox should be at least nine (9) inches from the curb or edge of pavement in order to prevent contact by the snowplow itself. The height of the bottom of the mailbox should be between 42" and 48" from the road surface.
- If it is determined a mailbox was struck by a Town snowplow, the Town will reimburse the owner \$25 for the post and \$15 for the box. The Town will not repair or replace any mailbox.
- No mailbox or post will be considered for the damage reimbursement if the post shows dry rot or is otherwise unstable.
- The Town will reimburse the owner for damage to the mailbox and/or post only when the Town's snowplow is found to have made direct contact with the mailbox, not when the box is knocked over by snow or slush that is pushed by the plow.

## SAND

Sand is available for residents to use on their sidewalks and driveways. You can pick it up at two locations, the Transfer Station at 100 Marsh Street and beyond the tennis courts at Mill Woods Park. Sand is available at the Transfer Station (Monday, Friday and Saturday only) the beginning of November and in Mill Woods Park once we finish picking up leaves from curbside (normally, the beginning of December).

## PUTTING SNOW ON THE STREET

### *Per Town Ordinance*

"No person shall lay, throw, blow, place or plow or cause to be laid, thrown, blown, placed or plowed on or into any public street or way any snow or ice from any private property, public or private sidewalk or public right-of-way. If, in the removal of snow or ice from any such property, sidewalk or way, it is necessary to temporarily place snow or ice on any public street or way, such snow or ice shall immediately be removed from the public street or way by and at the expense of the person causing such deposit. The penalty for each violation shall be \$50 and each and every 24 hour period of failure or neglect to comply with the provisions of this section shall be deemed a separate offense or violation."

## CENTRAL CT HEALTH DISTRICT

2080 Silas Deane Highway, Rocky Hill, CT 06067  
Phone: 860-785-8380 · [www.ccthd.org](http://www.ccthd.org)

The Central Connecticut Health District (CCHD) offers a variety of programs and services intended to help our residents lead healthier lives. Programs and services are open to all residents. When fees are necessary, they are intentionally kept low to encourage participation. The District actively seeks grants and other funding sources to help keep costs down. The District also seeks medical and non-medical volunteers for our Public Health Emergency Preparedness program. Please call 860-785-8380 if you are interested in serving as a public health volunteer.

1. Looking for ways to improve your level of fitness? Walking is an inexpensive and fun way to boost your activity level and CCHD has a few ways to help you do so. Periodic group walks or hikes are held at various locations in or near the District. Please check our website and Facebook page for details. Also, follow us on Twitter @CCHD4. The Fourth Annual Four-Town Walking Competition will take place on April 28, 2019 through June 8, 2019. Look for more details on our website in April 2019.
2. The Health District also sells low-cost safety-certified bicycle helmets and radon test kits. For more information call 860-785-8380.
3. If you, your child or loved one has moderate to severe uncon-

trolled asthma, CCHD's Putting on Airs (POA) program may be of help to you. POA environmental specialists provide free in-home visits to investigate the possible environmental triggers of asthma. In addition, certified asthma educators offer detailed instruction in proper use of asthma medications and provide education on the condition of asthma and ways to reduce visits to the doctor and emergency department. Please contact Asthma Program Coordinator, Betty Murphy at 860-785-8380 for more information.

4. Annually during the month of October, CCHD holds public influenza immunization clinics. Check our website and Facebook page for details beginning in September.
